Invited Speech:

Derive fast value from all the Big Data with Enterprise Security

Nicholas Hsiao

Director

Enterprise Security Products, HP Greater China

About the Speaker

Nicholas Hsiao is the Greater China Pre-Sales Director of HP Enterprise Security Products. As leading HP Greater China security technical team, Nicholas is responsible for various integrated security solutions – HP ArcSight, HP TippingPoint and HP Fortify, and sharing user experience to design security strategies of customer needs from China, Hong Kong, to Taiwan. Moreover, in order to strengthen great support for end users, Nicholas assists HP security partners to develop technical ability and leadership.

Prior to HP, Nicholas Hsiao worked in VERITAS as a Senior Technical Consultant, and was merged into Symantec as Pre-sales Technical Manager of Taiwan, Channel Technical Manager and Chief Technical Consultant for eight years.

Before working in VERITAS, Nicholas Hsiao was in Everelite Technology as a C / C ++, Java programming developer, and then was the Technical Assistant Manager to direct technical team to develop products and to assist Sun Microsyste implement Java promotion.

蕭松瀛 (Nicholas Hsiao)先生現任 HP 資訊安全事業群大中國區的技術總監，專職在 ArcSight, TippingPoint 以及 Fortify 等產品的各種解決與整合方案，負責區域包括中國大陸，香港，台灣的銷售團隊的技術支援，主要負責協助用戶提供解決方案，並且協助配合各合作廠商發展其技術支援能力。

在此之前，蕭松瀛先生曾在美商維理 (VERITAS) 擔任資深技術顧問，爾後合併至賽門鐵克擔任賽門鐵克台灣的售前技術經理，之後為經銷商技術經理以及首席技術顧問，共長達近八年的時間。在此期間，除了早期跨大中國區進行技術支援之外，主要的工作在於協助客戶規劃以及建置相關的系統與專案，並且同時發展經銷商技術支持能力，以協助相關核心業務。

蕭松瀛先生曾任職於艾群科技，早期主要為 C/C++, Java 等程式開發員，後為技術副理，代理團隊開發產品，並且協助昇陽(Sun Microsystem)進行 Java 的推廣。
